2. Overview

The Houston Community College, ("HCC") or ("College") is seeking proposals from qualified firms in accordance with the Scope of Services noted above. Qualified respondents are invited to submit a written response outlining your qualifications and willingness to provide the services as described in the Scope of Services, and in accordance with the terms, conditions and requirements set forth in the Request for Proposal (IFB). The successful proposer will provide the scope of services in accordance with all applicable laws, regulations and professional standards.

HCC reserves the right to make single, multiple or no award for the services described herein and as deemed in its own best interests.

HCC reserves the right to reject any or all proposals or to accept any proposals it considers most favorable to HCC, or to waive irregularities in the Request for Proposal (IFB) and submittal process. HCC further reserves the right to reject all proposals or submittals and terminate the solicitation process or seek new proposals when such procedure is reasonably in the best interest of HCC.

This IFB solicitation does not in any way obligate HCC to award a contract or pay any expense or cost incurred in the review and submission of proposals responding to this IFB.

All applicable attachments contained in the IFB shall be completed. Failure to do so may result in the firm's proposal or submittal being declared non-responsive to the solicitation requirements.

Information provided in response to the IFB is subject to the Texas Public Information Act and may be subject to public disclosure.

By submitting its proposal in response to this IFB, respondent accepts the evaluation process and acknowledges and accepts that determination of "most-qualified" and "best valued" firm(s) will require subjective judgments by the Evaluation Committee.

Any exceptions taken to the terms of the IFB must be specific, and the respondent must indicate clearly what alternative is being offered to allow HCC a meaningful opportunity to evaluate and rank proposals and implications of the exception (if any).

Where exceptions are taken, HCC shall determine the acceptability of the proposed exceptions. HCC may accept or reject the exceptions. Where exceptions are rejected, HCC may insist that the respondent furnish the services described herein or negotiate an acceptable alternative.

All exceptions shall be referenced by utilizing the corresponding Section, paragraph and page number in this IFB. However, HCC is under no obligation to accept any exceptions. Respondent shall be deemed to have accepted

all terms and conditions to which no exceptions have been taken.

The IFB provides information necessary to prepare and submit proposals or responses for consideration by HCC based on the listed criteria. HCC may request additional clarification and oral interviews solely on the written responses to this request for proposals.

3. Award / Contract Approval

This Procurement, any award under this procurement, and the resulting contract, if any, is subject to approval by HCC Board of Trustees. Subsequent to Board approval, the only person authorized to commit HCC contractually is the Chancellor or designee. This solicitation is a request for proposals and neither this solicitation nor the response or proposal from any prospective proposer shall create a contractual relationship that would bind HCC until such time as both HCC and the selected proposer sign a legally binding contract, which includes, without limitation, the terms required by HCC as set forth in the Scope of Work/Services and this IFB.

4. Pre-Proposal Meeting

The purpose of the meeting is to briefly describe the procurement process and specifications while allowing interested firms to ask general questions. Nothing said in the pre-proposal meeting shall be binding to HCC; any changes to the requirements of this IFB shall be made by way of written solicitation amendment.

If applicable, the Pre-Proposal Meeting date and time is noted in the Solicitation Schedule (see Page 2)

5. HCC Contact

Any questions or concerns regarding this Request for Qualification shall be directed to the Procurement Officer listed on the cover page. HCC specifically requests that proposer restrict all contact and questions regarding this IFB to the Procurement Officer. The Procurement Officer must receive all questions or concerns no later than the date and time listed in the Solicitation Schedule.

6. Inquiries and Interpretations

Responses to inquiries, which directly affect an interpretation or change to this IFB, will be issued in writing by addendum (amendment) and all addenda will be posted on the HCC Website www.hccs.edu. All such addenda issued by HCC prior to the time that proposals are received shall be considered part of the IFB, and the Proposer shall be required to consider and acknowledge receipt of such in their proposal.

Only those HCC replies to inquiries, which are made by formal written addenda, shall be binding. Oral and other interpretations or clarification will be without legal effect. Proposer must acknowledge receipt of all addenda in Attachment No. 1 of this IFB (Contract Award Form).

7. Commitment

Proposer understands and agrees that this IFB and any resulting Agreement is issued predicated on anticipated

requirements for the materials or services described herein and that HCC has made no representation, guarantee or commitment with respect to any specific quantity of or dollar value to be furnished under any resulting Agreement. Further Proposer recognizes and understands that any cost borne by the Proposer, which arises from Proposer's performance under any resulting agreement, shall be at the sole risk and responsibility of Proposer.

8. Acquisition from Other Sources

HCC reserves the right and may, from time to time as required by HCCs operational needs, acquire services of equal type and kind from other sources during the term of the agreement without invalidating in whole or in part, the agreement or any rights or remedies HCC may have hereunder.

9. Vendor Registration

The Houston Community College Procurement Operations Department has developed an online vendor application. This is designed to allow firms or individuals that are interested in doing business with HCC to register online and become part of our vendor database. Once registered, you will receive a password and personal login information that will allow you to modify your vendor information anytime a change occurs with your company. You will have the flexibility to add or delete commodity lines, update phone numbers, and contact information, etc. This database will allow HCC to notify, via email, all companies that match the desired commodity criteria for procurement opportunities within Houston Community College. What a great way to never miss out on an HCC bid or proposal opportunity again.

Please take a moment to go to the Houston Community College Procurement Operations Department website and register as a vendor. The website address to access the vendor registration form is:

<https://hccs.sbcompliance.com/FrontEnd/VendorsIntroduction.asp>

If you do not have internet access, you are welcome to use a computer at any HCC library to access the website and register.

14. Small Business Development Program (SBDP):

The Houston Community College System's Small Business Development Program ("SBDP" or the "Program") was created to provide business opportunities for local small businesses to participate in contracting and procurement at Houston Community College (HCC).

The SBDP is a goal-oriented program, requiring Contractors who receive Contracts from HCC to use Good Faith Efforts to utilize certified small businesses. The Program applies to all Contracts over \$50,000, except Contracts for sole-source items, federally funded Contracts, Contracts with other governmental entities, and those Contracts that are otherwise prohibited by applicable law or expressly exempted by HCC. The SBDP is a race and gender-neutral program, however HCC actively encourages the participation of minority and women-owned small businesses in the SBDP.

To participate, small businesses must be certified by an agency or organization whose certification is recognized by HCC. Certification is based on the firm's gross revenues or number of employees averaged over the past three years, inclusive of any affiliates as defined by 13 C.F.R. § 121.103, does not exceed the size standards as defined pursuant to Section 3 of the Small Business Act and 13 C.F.R. § 121.201.

HCC recognizes certification by the following governmental and private agencies: Metropolitan Transit Authority of Harris County (METRO) SBE Certification, City of Houston SBE, MWPDBE and DBE Certifications, Texas Department of Transportation SBE Certification, City of Austin SBE Certification, South Central Texas Regional Certification Agency SBE Certification, Small Business Administration 8(a). HCC has the right to revoke acceptance of a business as a certified or qualifying small business and to conduct certification reviews.

Good Faith Efforts: HCC will make a good faith effort to utilize small businesses in all contracts. The annual program

goals may be met by contracting directly with small businesses or indirectly through subcontracting opportunities. Therefore, any business that contracts with HCC will be required to make a good faith effort to award subcontracts to small businesses. The subcontracting goal applies to all vendors regardless of their status. By implementing the following procedures, a contractor shall be presumed to have made a good faith effort:

- a. To the extent consistent with industry practices, divide the contract work into reasonable lots.
- b. Give notice to SBDP eligible firms of subcontract opportunities or post notices of such opportunities in newspapers and other circulars.
- c. Document reasons for rejecting a firm that bids on subcontracting opportunities.

Points shall be awarded in accordance with the Proposal Response based on the prime vendor's certifications and/or commitment to small business subcontracting stated in the solicitation document and the published point distribution sliding scale.

A copy of the complete SBDP Procedure may be found on our [Small Business Website](#).

- a. Certified small business prime contractor – automatically eligible for maximum available points. However, HCC reserves the right to deny the points, and look only to the prime contractor's use of subcontractors, if HCC, in evaluating solicitation responses, makes a determination that the prime contractor will not have a legitimate and active role in the performance of the contract;
- b. Non-certified small business prime contractor with certified small business subcontractor – eligible for points proportionate to proposed subcontracting commitment (sliding scale);
- c. Non-small business prime contractor with non-small business subcontractor – no points; and
- d. Non-small business prime contractor self-performing work – no points.
